MEMORANDUM FOR THE RECORD

Fred Demech, Executive Director, PFIAB, has offered to let a SOVA officer and []/DDO, review the study which PFIAB has completed on Soviet political analysis. (The study covers the Soviet involvement in the Polish crisis, invasion of Afghanistan and "how the Intelligence Community prepared policy matters for arms negotiations.") Demech noted that he was making this suggestion following an offer by Bob Gates, who has read the study and suggested that it could use some tightening up, to have Agency specialists look it over.
